Kenmore Elite 36" Electric Cooktop - Complete Cooking Flexibility

This cooktop has the extraordinary power to heat liquids in a snap, so you won't waste your time waiting for water to boil. The 5 highly visible cooktop hot surface indicator lights glow brightly so you know which element or elements are still too hot to touch, helping you avoid accidental cooktop burns. As beautiful as it is easy to clean, this sculptured ceramic glass cooktop adds a sleek and stylish look to your kitchen.

- The Turbo Boil™ FLEX delivers rapid heat and slow warming
- The dual element features 9" – 12" giving pots and pans the fit they need
- A 6" melt element for melting butter, chocolate or preparing delicate sauces
- Durable ceramic glass cooktop for easy cleaning and avoiding scratches
- 3"x36"x21.5"

Kenmore 30" Gas Cooktop

The Kenmore 30" Gas Cooktop features a recessed design to capture spills and boil overs for quick and easy cleanup. The burner controls are upfront, so you don't have to reach over the cook surface for adjustments, and the full-wide, cast-iron grates are continuous providing an edge-to-edge maximum cooking surface. Enjoy versatile burner options from a low 5,000 BTU simmer to 14,200 BTU power burner.

- Porcelain-coated grates are dishwasher-safe
- Power burner brings water to a boil quickly and simmer burner is used to melt chocolate or prepare delicate sauces
- 13.5"x36.5"x27.85"
